

Furniture Package Case Study

One of our Manchester clients called in on the Friday to state they had tenants going in on Monday evening, and that they urgently needed furniture installing ready for their move in.

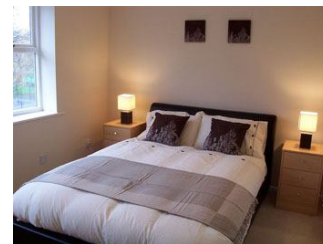

We organised a Gold Furniture Package to be installed and by 5pm on Monday afternoon, the tenants moved in without a hitch. Its this quick response and attention to customer care from The Think Tank Group

Install Time : 1 Day

that helped the landlord move their tenants in and not lose any rent due to the property not being furnished. All the furniture was built, installed by our professional installation team, with

all the cardboard and rubbish removed and the property vacuumed.

Total Cost : £2995
